CATALOG 2017/2018

Envie bohème d'aller à la conquête du monde ; envie de mixité et de mélange ; envie d'emprunter ces routes d'antan, ces chemins qui parlent de découvertes et de rencontres ; pluri-appartenance ou être d'ici et d'ailleurs.

Vit-t-on une phase juvénile ou est-ce un tournant vers autre chose ?

Cette année, Images d'Orient a une âme vagabonde et s'en va chiner ces motifs des Métiers à tisser millénaires, et des couleurs des univers chatoyants de la soie, flamboyants du velours ou apaisants du lin.

Notre âme vagabonde a des envies de collaborations ; collaborations avec des artistes qui murmurent les mêmes pensées et les mêmes messages. Nos envies d'escapade nous mettent tout naturellement sur le chemin de Carla Sayyad, artiste peintre libanaise récompensée par le prix du carnet de voyage international, pour « In Beyrouth ». Beyrouth, notre ville natale et destination de rêve pour un bain de culture assuré ! Collaboration à découvrir sur nos nouvelles boîtes customisées. Sur un ton technique, notre catalogue garde sa nouvelle division par catégorie qui permet d'aller directement à la section de votre choix. Côté photos, beaucoup de partages émotionnels, et des fusions culturelles et générationnelles cette saison, grâce à ce petit groupe excentrique devant ou derrière les caméras ; Ameen, Chris, Hiba, Jasmyn, Jude, Luana, Mayss, Rayan, Sara et Wajdi merci pour votre présence si précieuse, mais aussi beaucoup d'appréciations à la designer Karen K. et le Restaurant « Liza Beyrouth » pour nous avoir si gentiment accueillis dans leur cadre magnifique.

Bonne évasion !

A bohemian desire to conquer the world; a desire for socialising and mixing; to explore the roads of yesteryear, these paths that speak of discoveries and encounters; of multi-belonging or being from here and elsewhere.

Are we experiencing a juvenile phase or is it a turning point?

This year, Images d'Orient has a vagabond soul and goes hunting for patterns from the Millennial weaving looms, and colours from the sparkling world of silk, the flamboyant warmth of velvet and the soothing feel of linen.

Our vagabond soul has a desire for collaborations; collaborations with artists who whisper the same thoughts and messages. We are kicking off with a Lebanese artist painter, Carla Sayad, rewarded with the prize of the international travel journal for her travel book «In Beyrouth». Beirut, our beloved city, and a dream destination for a cultural immersion. A collaboration to discover on our new customized boxes.

On a technical note, our catalog keeps its new division by category which allows you to go directly to the section of your choice. This season, a lot of emotional sharing, and cultural and generational fusion, thanks to this small eccentric group both in front of the cameras and behind the scenes; Ameen, Chris, Hiba, Jasmyn, Jude, Luana, Mayss, Rayan, Sara and Wajdi a lot of credits for your precious presence, as well to the designer Karen K. and "Liza Beirut" Restaurant for hosting us so warmly in their magnificent setting.

Enjoy!

Andalusia

Since 2500 BC, "The land between two continents and two oceans" is a favored destination for the nations. From 409 until 429, The Vandals, a Germanic people, occupy it and name it "Vandalusia". In 711 Andalusia witnesses the booming time of the Umayyad dynasty, and the discovery of the New World by Christopher Columbus in 1492, marks its golden age that will remain until its decline in the 17th Century. Despite all the conflicts and fluctuations, a lasting influence emerged from its cuisine, its architecture, its gardens and its textiles.

Depuis 2500 ans avant JC, « La terre entre deux continents et deux océans » est une destination privilégiée pour les nations. De 409 à 429, les Vandales, peuple germanique, l'occupent et la nomment "Vandalusia". En 711 l'Andalousie vit l'essor de la dynastie des Omeyyades et la découverte du Nouveau Monde par Christophe Colomb en 1492, marque son âge d'or qui demeurera jusqu'à son déclin au 17ème siècle. Malgré tous les conflits et les fluctuations, une influence durable a émergé de sa cuisine, de son architecture, de ses jardins et de ses étoffes.

Kaokab

The sky has always been a mystery that fascinated earthlings. It lulls us to escape towards a limitless elsewhere. In old times, thinkers and sages are so captivated that they generated the most ancient discipline: astronomy. During the golden age of Islam in the VIII^e century, art was enhanced with recurrent geometrical patterns such as the octagon and the 8 pointed stars. 'Kaokab' meaning planet, will immerse you in an enigmatic universe.

Le ciel est un mystère qui a toujours envoûté les locataires de la terre. Il nous procure une sensation d'évasion vers un ailleurs illimité. Jadis, savants et sages s'y passionnent pour fonder la plus ancienne des sciences : l'astronomie. Au VIII^e siècle, à l'âge d'or de l'Islam, l'art se brode de motifs géométriques récurrents tels que l'octogone et l'étoile à 8 branches. 'Kaokab' signifiant 'planète', vous plongera dans un univers énigmatique.

Birds of Paradise

Stirred by Asian art, Persian miniatures called « Negârgari » portray themes associated to Persian myths and poetry. It glorifies this art by representing a poetic and elegant space, richly detailed, indulging us in a dreamland and the notorious “gardens of paradise”. The miniatures are adorned with majestic manuscripts, stunning colors and geometric and floral patterns. According to the collection of medieval poems “The Conference of the birds” written by Farid Al Din-Attar in the VIIIth century, the birds, metaphors of the human being, are on a perpetual journey seeking enlightenment and spirituality.

Inspirées par l'artisanat asiatique, les miniatures Persanes dites « Negârgari » illustrent des thèmes liés aux mythes persans et à la poésie. Ces dernières glorifient cet art en représentant un espace poétique, élégant, richement détaillé, ouvert vers le rêve et les «Jardins du Paradis». Elles sont ornées de manuscrits majestueux aux couleurs sémillantes et de motifs géométriques et floraux. Selon le recueil de poèmes médiévaux «Le Cantique des oiseaux», écrit par Farid Al Din-Attar au XII^{ème} siècle, les oiseaux, métaphores de l'être humain, sont en continuel cheminement, à la recherche de l'illumination et de la spiritualité.

Moucharabieh

The moucharabieh is a screen generally built out of small wooden elements turned and assembled according to a complex geometrical scheme. It allowed the viewer to observe without being seen, thus its nickname, Jealousy Windows. This meticulous technique was used on windows, balconies, ceilings and vaults as well as on furniture.

Le moucharabieh est un écran constitué généralement de petits éléments en bois tournés et assemblés selon un plan géométrique complexe. Il permet d'observer sans être vu, d'où son surnom « Fenêtres à Jalousie ». Cette technique minutieuse était utilisée sur les fenêtres, balcons, plafonds et voûtes mais aussi sur les meubles.

A word from the designer

Un petit mot...

"It must have all begun without my knowledge when I was a child..."

I still remember the feeling of despair at the sight of an ancient house being destroyed, a deep rooted site being modernized, an old precious fabric being replaced!
I finished my Advertising degree and traveled from Lebanon to the United States where I took my Master degree in Fine Arts; I knew that I had to do things that will create beauty, inner peace or simply give a message.
Once back to our home country, my brother Charbel Raphael and I came to realize that designing items that will endorse the richness of our Mediterranean heritage was a dream we had to achieve. In 2000, Eusamex was founded and 'Images d'Orient' was born, along with many other products. We created a line of day to day objects that combined the charm of a Mediterranean heritage with a contemporary look: coasters, placemats, trivets... Fourteen years later, Images d'Orient travels around the world in more than 50 countries establishing a new trend in the design world, and every new collection brings its newcomers: bath line, travel line, accessories...
So, dive into the various tides of 'Images d'Orient' and find your wave!"

« Tout a dû commencer à mon insu, quand j'étais enfant... »

*Je me souviens encore de mon désarroi à la vue d'une ancienne maison détruite, d'un site ancien modernisé, d'un tissu précieux remplacé!
Après avoir obtenu mon diplôme de publicité du Liban, je voyage vers les États-Unis où je poursuis mes études pour avoir ma maîtrise en Beaux-arts; créer des objets qui génèrent la beauté, la paix intérieure ou tout simplement transmettent un message était ce que je désirai faire.
Une fois de retour au Liban, mon frère Charbel Raphael et moi-même, constatons que promouvoir la richesse de notre héritage méditerranéen était un but que nous devons atteindre. En 2000 Eusamex est fondée et "Images d'Orient" est née, avec une série d'objets contemporains inspirés de l'héritage méditerranéen : dessous de verre, set de table, dessous de plat... Ces différentes gammes voyagent actuellement dans plus de 50 pays établissant une nouvelle tendance dans le monde du design avec leur look à la fois vintage et futuriste. Chaque nouvelle collection entraîne avec elle la naissance de plusieurs nouveaux venus : ligne de bain, ligne de voyage, accessoires...
